

Virginia Tire & Auto TIRE PROTECTION POLICY

Tire Protection Benefits

- Free flat repair for the life of the usable tread, down to 2/32 inch.
(Tires are considered worn out at 2/32 inch where treadwear indicators begin to show.)
- Free tire replacement during the first 25% of the usable tread life of the tire.
- Pro-rated replacement after the first 25% for the life of the tire, down to 2/32 inch.
- Free mounting of repaired or replaced tire.

Details of Coverage

- Any cut, impact or penetration on a tire which is considered repairable by Tire Industry Association guidelines, will be repaired by Virginia Tire & Auto at no cost to the Policy Holder.
- Tires considered unrepairable, by TIA guidelines, with more than 75% of original tread will be replaced at no charge. (Balance & tax not incl.)
- Tires with less than 75% of original tread will be replaced on a pro-rated basis.
- If an exact match is not available, a tire of comparable quality will be installed.
- At the Policy Holder's discretion, tire credit may be received in the form of a monetary settlement if a tire replacement is not desired.
- Tire replacements are made on a pro-rated basis and are determined by the usable amount of tread life left.
- This Tire Protection Program is available on all tires sold at Virginia Tire & Auto.
- This policy is non-transferable.

Tire Manufacturer Warranties

... only cover the workmanship of a tire. They do not cover "road hazards"...damages caused by potholes or foreign objects that penetrate and damage a tire.

This policy provides such coverage.

Policy Exclusions

- Tires damaged due to overloading, accidents improper inflation, misapplication, misuse, fire and vandalism.
- Tire damage resulting from mechanical conditions of the vehicle.
- Tires used commercially, off-road, for racing or showing signs of deliberate abuse.
- Loss of property.
- Tires deemed unsafe due to alignment wear.

- **Note: this card and your receipt serve as your policy. Please keep in a safe place.**

Policy Holder's Responsibilities

- Policy Holder must present this policy card, the damaged tire and the original invoice when seeking an adjustment.
- When a replacement tire is received, the Policy Holder must pay any higher difference between the selling price and the amount of credit received from the damaged tire.
(This policy does not cover taxes.)
- Any higher difference in tire price due to the replacement of a damaged tire with a more expensive tire must be paid by the Policy Holder.
- Any lower difference in tire price due to the replacement of a damaged tire with a less expensive tire will be reduced from the amount paid by the Policy Holder.
- Any tire surrendered for credit will become the property of Virginia Tire & Auto.
- Should the Policy Holder desire to maintain this protection plan on the replacement tire, they must purchase a new policy for the new tire.
- This policy is non-transferable.
